Sir.

In accordance with Par 8. Circular Order this date, I have the honor to report that as for as this hospital is concerned the duties of the Post Chaplain are very inefficiently performed. His visits are very infrequent, and on one occasion through his absence from town a deceased soldier was buried without any of the customary religious rites.

Sir

In accordance with instructions contained in Par I Circular of this date I have the honor to report that the Post Chaplain Rev Jno (W) Lickney does not in my opinion perform the duties of his office properly.

I have had since his assignment to this Post several patients who have desired counsel being able to obtain his services, his visits are "few and far between" and I believe that by his removal the patients in this hospital would be benefitted, as in that event the pastors of the different Churches in this City would deem it their duty to visit the hospitals regularly.

Dec 3/63

Virginia Floyd County Sct.

Dr. C. M. Stigleman do solemnly swear that the annexed account of one hundred and seventy dollars against the Confederate States for medical services rendered the detachment of 43rd Regiment N. C. Troops under command Maj. J. C. Lewis while on detached service, is just and correct, that in all cases the medicines were furnished by myself, and that the prices charged are the customary charges of the physicians of the County.

C. M. Stigleman M.D.

Personally appeared before me a Justice of the Peace for the County aforesaid Dr. C. M. Stigleman whose genuine signature is affixed to the above affidavit and whom I certify to be a Practising Physician and a person of credibility, and made oath that the above statement under his hand is true.

Given under my hand this 30 day of Jany 1863

A Dickerson J.P.

Floyd C.H. Va January 31st 1863

I hereby certify that a detachment of 110 men from the 43rd N C Troops at the request of Citizens of this County were ordered here on detached service that they were not provided with an army surgeon nor was there one in reach from whom medical attention to the sick could be obtained, that they were not supplied with medicines, and that under these circumstances Dr Stigleman was employed to render medical services to the sick for which the annexed charges are a correct account. Given under my hand this 30th day of June 1863.

April 27th 1863.

To the Hon.ble James A. Seddon.

Secretary of War. Richmond.

Sir

The post of Asst Quarter Master of the 60th Regiment Geo. Vols. having become vacant by the promotion of Major D. H. Speer I respectfully ask the appointment to that position of my present Captain Col.o Henry Stiles. Commands Company (H) in that Regiment. The reasons for desiring this transfer from the line, which he infinitely prefers, are the wounds received in battle, which in the opinion of his surgeons will render him for a long time incapable of bearing the fatigues of marching incident to the position which he now holds. In the last battle of Manassas he was shot directly through the thigh, a severe but not dangerous wound, & in the battle of Fredericksburg, a ball penetrating his right side just below the ribs passed entirely through his body & left arm, fortunately without touching the vitals or fracturing the bone. From this wound at first thought to be mortal he is now recovering. His gallantry is universally conceded by all who know him. He is a young man of unexceptionable character & habits, of education, intelligence & energy in short in every way capable of discharging the duties of an Asst Quarter Master of a Regiment, with credit to himself & advantage to the Country.

Very Respectfully

William H Stiles.

To Major General Polk,
Memphis Tenn.

Sir: The undersigned
believing the Service would
be much benefitted by the
establishment of a Military Hospital
at this place, respectfully represent,
that many sick & wounded Soldiers
have past this point on their road
some of whom are left to public
charity, & many others who for
want of hospital comforts are ob-
liged to go further - should & would
stop here if such hospitals existed,
& for many other reasons which
will readily suggest themselves
to you, we would respectfully
ask the establishment of one at
this place; & as Dr J. M. Shuck
has devoted much time & atten-
tion to the sick & wounded Soldiers
here we would further re-
spectfully ask his appointment
as Surgeon to the Hospital.

A Steam boat can be
procured on reasonable terms,
& beds & all other fixtures obtained
at once. All of which is respectfully
submitted,

In reply to your communication of yesterday I have the honor to state that D. C. Stiles came to this camp in charge of Sub Cny. Officer Courson on Sunday morning last. He insisted that he had obtained your consent to withdraw from your service to go to Ga and join the service which, by law, other Marylanders are required to join. Having previously obtained at this camp all the papers necessary therefor, having made his arrangements to leave that day at 12 M. with train, with another Marylander who has also reported here & got ready to go with him - & back to join command there at Augusta - as they stated - & further, there being nothing in the terms of this detail, as understood at these Head Qrs. to hold a person in Stiles' situation against his will - it was not deemed proper - under all the circumstances of the case - to retain him in arrest under orders from this camp. He was, however, advised to wait a day to see you. Mr Supt. how cause with him & it was supposed the would give notice

of his intended movements. It being Sunday & the Office being supposed to be closed no formal notice was sent from there Head Quarters.

Whilst it gives the undersigned very great pleasure to render to other Departments of the Govt all possible facilities - it was not deemed legitimate - under all the circumstances alluded to - to hold the party under arrest.

It is sincerely regretted that the action taken by the undersigned could not have been more in accordance with what was supposed to be the interest of the Dept. over which you preside. It is proper to state Major Rowland was absent & gave no order in the matter.

I arrived

derstanding with the Ex Master
at Baxter Station they were
not shipped from there until
my arrival there. I sent one

(Sunday) as soon as they
arrived. This is singular enough
to ship Stocks, they have to come
down the Depot in Battery which

present, I will remain between
here & Boston Station until they
all arrive & know how, as
there is about 20 tons of freight
laying here for shipment & if
I leave them they will be thrown
behind and pushing the importance
of their arrival in mean I will

over this road is very limited
& my not having but 6 freight

Sir

I have the honor to inform you that the Death of Lieut. Col. Bowman of Major Randall's Battalion of Artillery in the late engagement of the 19th inst. has created a vacancy in the Field Officers of that Battalion. Major Randall is a graduate of the Military Academy, in the class of 1850 and served the usual term at the Academy, in the Corps of Engineers. His experience and good judgement would, in my opinion, eminently qualify him for the rank of Colonel. In the recent severe conflict with the enemy near this City resulting in his unfortunate Major's death was, with me, and is the opinion of all, his conspicuous gallantry and bravery under fire. I know no better proof of his distinguished character as a professional soldier, than the fact that he was selected by Lieut. Col. Bowman as his Aid-de-camp, and assigned to duty with him as Inspector. I deem him entitled to the office of Lieut.

Sir

A vacancy having occurred in Co B of this regiment by the resignation of Capt N.S. Manning, I have the honor to ask that 1st Lieut H. Ringelaff's name be brought before the Brigade Examining Board, that it may enquire into & report on the fitness of Lieut Ringelaff for that position. Lieut Ringelaff is a prisoner of war, taken at Gettysburg.

My Reasons for asking that Lieut Ringelaff be passed upon by the Board, are, that I am very well satisfied, that he is entirely unfit for the position in any & all respects, & that the Board can very easily ascertain that fact by an examination of his qualifications & character, through those who know him best. And I desire that 2nd Lt W.E. Stitt be made Captain, I can recommend Lieut Stitt most highly on account of very conspicuous gallantry on the field at Gettysburg & in skirmishes since; and for close & faithful attention to all duties under all circumstances. Col R. H. Chilton
Chief of Staff
Sir:

I have the honor to state; that on the third day of the battle of Gettysburg, Brig. Gen'l Daniel found himself without a Staff Officer, all of his Staff having been wounded.

General Daniel's attention was directed to Lieut Flitt, by his gallant conduct, in rallying men who had broken ranks, & the manner in which he encouraged his own to advance under a very heavy fire from the enemy.
He was a total stranger to Gen'l Daniel but was appointed immediately by him as his acting Aid De Camp.

The cool & undaunted manner in which Lieut Flitt carried Gen'l Daniels Orders to all parts of the line in the midst of the hottest kind of a close range infantry fight was remarkable. I was an eye witness to his Conduct on that occasion.

Again at Mine Run, during the enemy's recent advance, Lieut Flitt showed cool bravery in carrying Gen'l Daniels orders to the Sharp Shooters, within two hundred yards of the enemy's outposts, during which action his horse was killed under him, being struck by three balls.

I think his case, by all means deserves promotion.

Very Respectfully

Enclosed find Return of Provisions rec'd, issued, and remaining on hand, 31st May to this with duplicate Invoice of Stores rec'd from Maj Chalmers, A.C.S. to and including 6th of same month, after which date, all Provisions were drawn from him, on Consolidated Returns — Not being able to procure a copy of our Army Regulations, & through ignorance, neglected sending with my May Report, Return of Provisions rec'd and issued, during that month, but have enclosed them to you, as soon as I could make them out, after having learned that they were required — Since entering upon the discharge of the duties of my office, I have had no instructions from those above me, and consequently have made many blunders, but, hope to do better hereafter — I have not yet received my Commission, having been appointed by order of Genl Bragg, April 23. 1862 —

I have been informed, that, it is not necessary to send on to the Department Monthly Returns of Issues as I draw on Consolidated Returns, instead of in bulk — please inform me if this is correct, & on account of said information, I have not enclosed the Abstract for June — It is with the greatest difficulty, that I procure Stationery in bulk can not procure any Pens

cash Capts at all, and in consequence fail to make out my Vouchers in whatsoever Strength.

I have also enclosed Consolidated Abstract of Provisions sold to officers, for Quarter ending 30th June, together with Cash Journal, Disbursements on acct of Contingencies, for same Quarter, and Cash Connelly, Maby Brigade Commissary's receipt for One thousand and sixty three 99/100 Dollars, balance due the Confederate States, on Acct of Army Subsistence, as per Cash Journal.

I have the honor to acknowledge the receipt of your communication of the 3d inst.

I telegraphed you on a former occasion, for the reason that I was under the impression that you had not been apprised of the fact, that this Depot was under my control. Under such circumstances, it is entirely natural that you should have addressed your inquiry regarding cartridges to Capt. Price, who is my Military storekeeper at this point.

It will afford me great pleasure to supply you with Ordnance stores, whenever it may be done, without detriment to the immediate requirements of this District.

I think that in about two weeks, I will have on hand, some surplus stores, for each arm of the service — for which point I will be pleased to — [illegible]

Actively engaged in organizing the State

I am credibly informed that the Powder and other Ordnance Stores shipped by me to Washington Texas, and now there in large quantities, is in an exceedingly precarious situation, and liable to be damaged or destroyed by any evilly disposed person, unconducing to diligence who may be so inclined. These Stores were forwarded from time to time by this Arsenal under direct instructions and recommendations from Department and District Head Quarters issued for the speedy removal of the Stores generally. They were at first in charge of Capt Sarra my Commercial Agent. His services were however absolutely needed at the Arsenal. They were then put in charge of Mr Burrell, a resident of Washington and a reliable man. According to my information they have continued in his charge ever since, but utterly without any sufficient security either of building or of Guard. The former can not be procured as Storehouse, that is, a building specially adapted; the latter becomes indispensably necessary.

May I respectfully request that a guard - say 10 men, a N.C. Officer, be detailed for its protection,

with orders to report to the Quartermaster General or Ordnance

I beg leave to call your attention to the fact, that Maj. Gen'l Magruder, has assigned Maj. Hamilton, 3rd Texas, St. Infantry, to this Post, for the purpose of establishing a Knapsack manufactory, & it pertains to this Arsenal to make such articles, it appears to me to be an unnecessary expenditure, plantation and hire the labor for their fabrication and hire the assistance of the Cotton bureau could furnish the material.

I therefore have the honor to request that an order be issued from Dept. Head Quarters, suspending further operations on this part.

Sir.

I respectfully tender my resignation of my Commission as Chaplain in the Provisional Army. on account of Bronchitis contracted in Camp. which renders my present return to the Field impossible.

I was commissioned as Chaplain to the 18th Regt Va Vol. Col. Withers Commanding, Oct. 2 1861 and was transferred to the 54th Regt Va. Vol. in August 1862. On account of the failure of my health and the importance of my remaining with General Ewell, who during a portion of the time had no other representative of his Staff with him, leave of absence was granted me by the Hon. Secretary of War to remain with General Ewell, another Chaplain having been assigned to the 54th Regt., as I have understood.

I am Respectfully

July 7th 64.

Sir

We the undersigned Commanders of the several Companies of this regiment respectfully and earnestly ask that the Rev Davis C Stokes of Sherman Georgia may be commissioned as Chaplain and assigned to duty with this Regiment. Mr Stokes is over forty five years of age and has been discharged from the service under recent act of Congress. He was formerly connected with this regiment since its entry into service and enjoys the full confidence of both officers & men. His piety is deep and living and as a Christian a patriot and Soldier his character has been blameless. The Regiment has long been destitute of religious instruction and much interest is felt to secure the services of this devout and zealous Minister. Earnestly hoping that you may find it consistent to the good of the service to make this appointment we have the honor to be General

I received from your office of March 28th 1864. an Extract of Circular dated Jan 21st 1864. This Circular notifies me that I have been dropped from the roll of officers since Oct 21st 1862. I deem necessary to give you the facts in my case. Soon after the organization of the Regt June 1862. and before I could receive the appointment from the President, we were ordered into Kentucky under Gen E. Kirby Smith. While at Georgetown Kentucky, I received the appointment and blank bond. I could not execute the bond until I could get home. As soon as I reached home Dec 1862. I had the bond executed and forwarded to the Dept. While at Richmond, in 1863 I received a letter from the Secty of War stating that my bond had been received, and demanding my reasons for not sending it on sooner. These I sent on, endorsed by Col Whittle under the Regt. As I have not a reply, I have taken it for granted that the reasons were satisfactory, and I have been discharging the duties of Regimental

Quartermaster all the time

This Regt. this acknowledges - January 7

Major General, John L. Lewis -

Comdg St.

L. O.

Navy Yard Sta. [illegible]

March 0 - 202

St Louis March 19th 1862

Major General Lewis,

Sir,

On papers received as a copy of the "Standard supply Table" of the U.S. medical service. Upon the requisition of surgeons, the articles specified in this table should be supplied by the med. Purveyor. Many of these articles are unnecessary, or may be dispensed with, or cannot be obtained; but there are others which should be procured without delay. But it is impossible to be prepared for emergencies, and at the same time avoid useless expense, unless some approximative estimate is given as to how many men, when, and for what length of time preparation should be made.

In regard to medicines, there is now on hand a supply engaged by the former surg. Genl. for six months, for ten months, which is deemed sufficient for any probable emergency.

In regard to Instruments, any that can now be purchased in our market, but some considerable amount could be manufactured here, if due notice be given.

Under the heading "Books", all mentioned may be dispensed with, except the "Regulations of the Medical Department," some blank books, and the various blank forms required for requisitions, reports &c. The last should be ordered at once, but it is not known in what quantity. For copies of the first application has been made to the U.S. Surgeon Genl. at Richmond. If not obtained from him, can they be printed here? The recent militia law requires the Med. Depart. to be governed by the U.S. Regulations; but no surgeon can be expected to be so governed, unless he has a copy of these Regulations.

It is doubted whether any provision need be made by this department for most of the articles detailed under the headings, "Hospital stores," "Bedding," "Furniture, Dressing &c" and "Hospital Furniture."

many of these are only required for General Hospitals, which in any case are already supplied, since the public and private hospitals in this city would be used for Genl. Hospitals - - - and those needed for Field Hospitals are for the most part such articles as are supplied to the troops by the Quartermaster and Commissary, and might therefore be supplied by them to these Hospitals, on a requisition from the Surgeons, approved by the Surgn. Genl.

I desire to call your attention also to the supply of ambulances and litters which are indispensable to convey the wounded, and which should be provided by the Quartermaster - The army regulations allow two litters for every 100 men, but four are not deemed too many. There are 42 litters on hand enough for two regiments only.

For the transportation of the wounded in ambulances, accommodation is allowed for 40 per 1000 men. and in compliance with this, 12 ambulances, and 4 transport carts are allowed to each regiment. Offence and delay in obtaining these may be obviated by engaging omnibuses, furniture-carts &c. But a much arrangement for these is important. Many of those who drive or control them would be serving as soldiers at the time when these conveyances would be needed.

It is necessary to have some understanding in regard to the preparations alluded to. It is probable that the U.S. medical officers in this city have already made provision for ambulances sufficient both for the U.S. troops and the State troops - in reference to this, they will be consulted, as soon as your instructions are received as to what is expected of the Surgeon, of the State.

Your instructions are also desired in reference to organizing the attendants of Hospitals. The regulations require the Surg. Genl. to "appoint from the enlisted men" with the approbation of the "General-in-chief", 1 Steward, 2 Cooks, and 10 nurses for the field hospital of each regiment. To every General Hospital are likewise appointed, 1 Steward, 1 Ward-

master, and 1 nurse for every 10, 1 matron for every 20, and 1 cook for every 30 patients. These latter appointments for the Med. Hospitals may be the most hard to dispense with, of the hospitals in the city in use, as has already been suggested.

Your attention is also called to the following facts. Each surgeon is allowed on the battle field two orderlies. one is indispensable. A surgeon has also the right to command privates as other commissioned officers, and in battle must have men detailed to assist him with the wounded. At least four soldiers would thus be required from each company. By computation founded on the preceding facts, it will be found, that the surgeons of every regiment required on the battle-field, and by the regulations are entitled to, the assistance of about 60 men from the ranks. And this large number is exclusive of the drivers of ambulances. If an efficient organization of the medical service be expected, this number could not be much diminished.

By the army regulations (which in this particular deserve stricter attention with the militia, than with regular troops) "soldiers are not permitted to leave the ranks to assist the wounded." Such assistance is effected to be given by the pioneers and musicians, under the orders of the regimental Quarter-Master. But who is to give it, if there be few or no pioneers and musicians? This difficulty has been sadly experienced during the present war, and the U. S. are preparing to meet it, as the experience of European armies has proved the best way, viz. by organizing a Sanitary Corps. For the reasons set forth, I recommend to your earnest consideration such an organization, as eminently appropriate to our circumstances. We have a large number of unarmed militia, who if properly organized could render

important service, which would make it unnecessary to remove armed men from the ranks at the very time they would be most required there. The duty of a Sanitary Corps has generally been to follow closely behind the troops engaged, and to bear the wounded at once to the field hospitals. If you should assign any unarmed troops to such a service, would it not be well to select from such a corps, stewards, cooks, nurses, drivers, and all other subordinates who are subject to the orders of the medical staff? If such a plan was adopted, the number of this corps should be as one to ten soldiers in service.

Experience has shown that two surgeons for one regiment are insufficient for the exigencies of a battle or epidemic. It is therefore proposed to organize a "Reserve Medical Corps" composed of such physicians of good standing, as may volunteer for this service. This Corps would be assigned to duty at the General, and field Hospitals, and to accompany the wounded from the latter to the former; while the regimental surgeons would remain at the entrenchments, or directly in the rear of the troops engaged so as to give instant succor.

Notwithstanding your General Order, No. 44 of Nov. 12th but one surgeon has reported his appointment since. Not one of the Brigade Surgeons has reported the organization of the medical staff of his brigade, in compliance with Order No. 1 of July 23d issued from these Head-Quarters.

The above report, and inquiries for instruction are respectfully submitted,

By order of,

Warren Stone,
Surg. Genl. of La.

Dear Pap,

At the time of the beginning of reorganization of our Division I was assigned to duty with it in Charge of the Rear Ord. Train of Gordon's Div, - as it was then made.

Since that time, & now, various Changes have been & are being made in the Q. M. Dept. so that I feel anxious to be assigned by the Secretary & Quartermaster Genl. to my present position in Charge of Rear Ord. Train of Gordon's Division. I should like however to be assigned to some post, at some County Seat - like Harrisonburg or Staunton. Is Harrisonburg a Post? If so Could you not write some one to have me ordered there?

The reason I would prefer

in a position to protect my family from
Yankee hands should occasion the need & I
could then come for them personally
better.

Anything you can do for me
in that way will be very kindly
received & acknowledged as at present
I know not where to look for bread
& I'm in the Stonewall Brig since
June 1861.

Let me hear from you as
much as you can.

General

I have the honor very respectfully to apply for a Captaincy in the Adjutant Generals Department, and to submit the following statement for your consideration, in support of my application. I have held since the 5th April 1861 the Commission of 2d Lieut in the Confederate Army - which Commission was offered me and accepted, when Congress had provided for the organization of a Regular Army; and when I expected that of course my position and my duties would be in the Line. When however all recruiting for this Army was discontinued and Volunteers were accepted for the period of the war, there were no commands to which the appointees of Congress could be attached, and consequently those who were not fortunate enough to get Staff appointments were distributed about - where ever employment could be found for them. Since the date of my appointment I have never been permanently attached to any command, but since the last six months, I was constantly changed from one organization to another, and different duties, and even in different arms of the service - Since September 62 I have been acting as Asst Adjt Genl of a Brigade numbering always from 3500 to 5000 men, and having been on

this duty & sufficient time to give proper attention into ab- & more respectfully refer for a comparison with Rolls dated Decr last & possible call your attention to the fact that since my appointment I have always performed the duties of a higher rank than the one I hold and while all of those who were associates of mine in the Confederate Army at the time that I was, have since received higher appointments in the Provisional Army, I have never received the least promotion - and finally that although I have been for the past six months performing the duties of a Captain, I have had not been the rank or pay of an Adjutant of a Regiment. Hoping for that these facts with the Endorsement of those Officers under whom I have served - may be favorably considered.

I am Respectfully Your Obt Servt

Mr. John Elcott, of Metumpka, Ala. intends making application to the proper authority for a position in the Southern service.

As he has been, for the last twelve months, a Student in our Establishment, the Southern Military Academy, we feel no hesitation in recommending him to the favorable consideration of the appointing power.

He has a mind adequate to any effort; and has made much progress in classical and Mathematical learning, as well as attained such proficiency in Military Tactics, as will enable him to enter at once upon a scene of active and useful operations, and to meet successfully the exigences of war.

Being a young man of unexceptionable morals, and most reputably connected, he gives to his numerous friends hopes of future usefulness and distinction in whatever he may undertake.

[illegible] that it is impossible for him to supply the demands upon him for General Orders from the A. G. & Gen'l Office, and requests that one thousand copies of each order be sent to him for distribution [illegible]

Surg. Genl. Office
March 29th 1864

Respectfully referred to the A't Insp. Genl.

It is recommended and requested that of General Orders issued from the office of the Adjt. & Insp. Genl, which have not already been furnished to the Medical Department, five hundred additional copies be ordered for the Medical Bureau, to be distributed to Medical Officers.

Many departures from Orders on the part of Medical Officers have been explained by ignorance; the particular order in question having never been seen.

A & I G O,

Office Med. Dir. Hospitals
Atlanta Ga. Oct 15th 64

Sir:

I have the honor to state that in the Georgia district, of which I am Medical Director, there are Eighteen posts, at which there are in the aggregate, fifty four (54) hospitals. To supply the demands upon me for copies of orders from the A. & I. General's office, it has heretofore been impossible, as I am rarely supplied with more than ten or twelve. The following statement will exhibit my absolute wants in this regard.

There are under [illegible] Surgeon in Chief of [illegible]	15 Copies.
" " " Asst Surgeons	15. "
" " " Surgeons in charge of divisions of Hospitals	54. "
For the Medical Director & Inspector	1. "
Total absolutely needed	91 Copies

I respectfully suggest that, at least, one hundred copies be sent me for distribution, & am convinced that if two hundred copies were sent, the service would be benefitted thereby, as many of the irregularities which occur, are due to ignorance of orders, and the latter number would be sufficient to enable me to supply, liberally, the demands which are made upon me.

Very Respectfully Your Obt Servt

Sir.

In answer to your order for a report I would say: that Saint Asst Quarter Master and Acting Commissary of the 1st Regiment of Texas Artillery. The duties of the first named include also those of Quarter Master in which Department. I beg to state there is now due two months and a half pay due to the Officers of the Regiment and there will be due the troops at the end of the current month four months pay. There has been found due on Company in the Regiment since the 12th of December 1861 to the Company joined the 3rd of March 1862. and at the end of the current month there will be twenty due the

ent of the Regiment.

I have now no pay funds in my hands except a small amount to pay off discharged Soldiers. In the Quarter Master Dept there is a very great lack of Clothing of every description, also Camp & Garrison Equipage to some extent.

In the Commissary Dept would say that very great dissatisfaction is caused among the troops by the recent reduction of the rations of Fresh Beef and Bacon, I do not think that under the present regulations the troops receive a sufficient quantity of meat and would recommend that if possible the rations be as formerly to wit- One & One fourth pounds of Beef and Three fourths pounds of Bacon. There is no coffee in the Dept to issue to the troops and Commissaries are prohibited from paying more than Forty five cents per pound for the same, in lieu of which I have been issuing molasses.

I would respectfully recommend that fresh Vegetables as far as practicable be issued to the troops in this command.

In the pay Dept I would respectfully represent that so far as I have been able to learn ours is the only Regiment in which no bounty money has been paid as yet. I do not know why it is but such is the case and I trust it will receive your early attention with a view to remedying the same.

Respectfully submitting the above I have the honor to be,

I hereby acknowledge the receipt of your communication of this morning & in reply, beg to state that I have sent a Boat load of water to that Post (Fort Jackson) every day this week.

This Boat holds over one thousand gallons of water & I was under the impression that this was sufficient for the daily use of that Post.

This Boat is the only means at my command for taking water to Fort Jackson at present, but I expect another water boat here shortly, when I will fill up the cisterns over there immediately.

I have this day sent the Str "Island City" & Water Boat both over with water. The two Boats have taken over 2500 gallons water.

I beg to report the following and ask that the matter may be remedied by such order as will cover the case. if it can be done.

Sergeant Farris C D Cooks Reg[t] came over yesterday morning in the supply boat to draw rations. He was notified by my Boatman that he must have his supplies down early this morning in order to take advantage of the tide. which is very necessary. My Boat has been waiting on him two hours. with the Beef on board & has been ready for that length of time. I was compelled to order him over with the Beef without the Rations which I will have to go over for. In the meantime should a Norther spring

ups. it would be difficult for the boat to go and then there would be trouble about the Rations and from the above you will see that it is no fault of mine. This is becoming of so frequent occurrence that I have thought best to bring it to the notice of the Col Comdg. I would suggest if not deemed presumptuous that a Commissioned Officer be ordered to train with the ration detail My reasons for this are that it has frequently reached my ears that the men sell their rations and get to drinking and neglect their duty

I require some wagons to send up the road to haul wood and have not a sufficient quantity to spare and would represent to the Col Comdg that the 4th Regt State Troops have 16 wagons & teams, most of which are idle a great part of the time. I would further represent that less than half the number are sufficient for the Regt & ask the Col Comdg to order the surplus over and above what he may deem necessary for the Regt. to be turned over to me. that they may be made available for the above purpose

I have long been trying to get the Troops to economize in feeding hay but without effect My stock is being rapidly reduced and I am informed that there is none to be had in the country by Capt J. S. Sellers tax collector for this district.

to the following
The Tremont house is occupied
as a hospital for Negroes ~~quarters~~.
The average number of patients
as near as I can ascertain is
say Sixty. The monthly rent of
the house is assessed at $2000.
Now this building will comfortably
quarter 4 or 500 men. A Smaller
house will answer every
purpose for a Negro Hospital
The last body of troops arrived
here are not comfortably quartered
and I need the Tremont house
for that purpose as being the only
building where the command
can be quartered together.
Will you please enquire into it &
order the Post Surgeon. Dr Nagle

for Negro Hospital. so that the Tremont

Galveston, April 23d 1844

General:

I avail myself of the kind privilege you extended me of addressing you directly. Capt. Story - A. A. G. M. at this Post, has received two orders, relieving him from duty at this place, one directing him to relieve Capt. Myers at Houston, the other countermanding the first and directing him to relieve Capt. Wolfe at Columbus. I think it due to the service as well as to Capt. Story that such orders should for the present be suspended. This is the case, that I can appeal to you with confidence for some time, is familiar with the workings of the Department, knows the duty of an officer, & can attend to it efficiently. It would be a great inconvenience to me, at this time, to have Capt. Story ordered away, and injurious to the service. I would therefore respectfully ask of the Maj. Gen. that Capt. Story be retained to remain here on duty, at least till my Brigade Hd. Quarters Jamaica with the Post & its duties. I would prefer Capt. Story remaining all the while.

I send you enclosed a Bill of Lumber still needed to complete the Barracks at Mud Island. It is almost impossible to get this lumber in sizes to suit by taking down old houses. and the only way is to get it from the mills. I have been trying to get Lumber from the Mills for several months. Mr Hollis told me repeatedly that he had lumber ready for me. and all that was necessary was teams to haul it. I sent the teams + am going to see about it myself. Find that there is no lumber there and that the mills. at least all that I could hear of are monopolized entirely by the Engineer Dept. As this matter of Barracks is a very important one. I think one mill at least should be required

to saw exclusively for the Dr Dept. and particularly for this Post. This can only be done through the Coundg Genl: and should the order be issued I would like for it to be so worded that the mills shou work under the direction of an Agt of this Dept who shall reside either from this Depot Houston or Jefferson not subject the Lumber to any delay. but shall be ready at any time to do work in this line. as very necessary and the matter should be brought to the notice of the Coundg Genl so that arrangements can be made for the mills. If the mills are given back. but as I think it would near Houston the better to employ some Officer the Lumber in Houston to furnish the Lumber and yard in Houston. I can get the timber to saw it when the vessels are ready. I hope to have it down nearly all the old building that would be service able to the Government here. and must look to the mills for a further supply. I shall send about 200,000 feet to complete to-morrow
